Steve Burton was instrumental in the success of the Somerville Homeless Coalition 5k race. A participant the first year of the race, Steve returned the second year as a member of the race committee and brought with him a runner's perspective as well as a great eye for detail and ideas. The race grew from less than 100 runners to nearly 500 within a few years. Steve also co-directed the Somerville Road Runners' Thanksgiving day race for several years, another great success. Through these races and their sponsors and the thousands of runners, from near and far, who participated in them, tens of thousands of dollars were raised annually for the benefit of the Somerville community. Steve was himself a passionate and accomplished runner, an enthusiastic volunteer and had a great love and appreciation of music and photography.

Steve passed away in 2006 at age 54 from kidney cancer.
